EXECUTIVE SUMMARY

This friendly badminton competition is a competition organised by Rotaract ATC which is meant to tighten the bond of RAC ATC members and also with Rotarians and Interactors. Having this badminton friendly project would also help Rotaract ATC to achieve the DRR citation.

THE STORY

Although we had only one month to plan this event, there was not much problem because we received a great amount of support from our sponsor club, Rotary Club of Ampang. The only problem that we faced was contacting people to come as everything was confirmed right before the Chinese New Year Holiday and the event was right after the Chinese New Year holiday. However, we managed to overcome the problems faced and everything went smoothly on the day of the event.

The day started at 8 and all the participants arrived by 8.20 a.m. Due to time constraints, the only category was the doubles category. Interact Club of Sri Cempaka managed to send 5 teams, the Rotary Club of Ampang 4 teams, and our own club, the Rotaract Club of ATC sent 3 teams.

After setting up the matches, the competition begins. It was fun to watch and cheer on the games. It could be said that the objective of bringing the people of Interact, Rotaract, and Rotary together was successful. The matches ended at around 10 a.m. and the winner was a team representing our very own Club.

Although the friendly tournament was over, everyone continued playing friendly matches and even having fellowship with one another tightening the bonds and cherishing the rare times Rotary, Rotaract, and Interact can come together as one for the activity.

It was a great day and Interact Club of Sri Cempaka had agreed that a similar event should be done again and have offered to be the one to organize it the next time around.
