President
Rotaract Club of Ampang

I, Jasmine Sia from the Rotaract Club of Ampang would like to nominate Rotaractor Steven Ting Boon Hee (hereinafter known as Steven) from Rotaract Club of Ampang (hereinafter known as RAC Ampang) for the Best Rotaractor Award for RY2013-2014.

Before his eventual participation in the RAC Ampang, he was involved with Rotaract Club of Advance Tertiary College as a guest for two years where he familiarised himself with the workings of Rotaract. He joined RAC Ampang thereafter in 2009, and went on to serve as President for RY2011-2012.

His involvement with Rotaract District 3300 and RAC Ampang has since been outstanding. He has assumed various positions in RAC Ampang's Board of Directors throughout the years, including Director of International Service.

During his term as Director of International Service, he was simultaneously called by the District EXCO to serve as District 3300's International Service Director and has spearheaded several International Service (hereinafter known as IS) projects, some of which will be highlighted here.

He has played a key role in expanding and cementing District 3300's networking as he has been actively coordinating programmes and projects with clubs of from other countries, one of which includes the hosting of RAC United College Chinese University of Hong Kong. In the said event he was proactively taking charge of the planning, execution and coordinated with the clubs in District 3300. His ability to marshall the full support of other clubs within District shows initiative and proclivity for fellowship. The success of the event was marked by the emotional departure of the participants.

He has also participated in managing the bi-annual District 3500 (Taiwan) Goodwill Visit to District 3300, where he proactively planned and kept tabs on the flow of events, including the expenditure. His attention to detail and friendly personality has earned him the praise and trust of the participants of said event. His passion and responsibility towards making the event a success was demonstrated by the fact that he took a week off work to actively partake, and ensure that the participants were well taken care of.

For the aforementioned events, he has been making full use of social media to promote the events, in line with the 2013-14 Presidential Citation for Rotaract Clubs.

As Past President, he actively guides and motivates current term Presidents and Board of Directors. His acute attention to detail ensures that the club is healthy and accountable towards the District and also to the sponsoring Rotary Club, Rotary Club of Ampang. His tireless dedication in working behind the scenes and drive the club towards greater heights is the hallmark of a Rotaract leader.

As a member of RAC Ampang, he has been actively creating lasting friendships with people of all culture and creed so as to inject new blood into the club. The club has since flourished and diversified in its membership, as opposed to merely inducting ex members from sister club RAC ATC.

His ability to juggle responsibilities as a full time conveyancing lawyer and discharging his duties as an IS Director at both club and District level is commendable.

His achievements at both club and District level is truly worthy of a nomination for the Best Rotaractor Award, as he is the embodiment of Rotaract's motto - 'Fellowship Through Service'. Towards this end, RAC Ampang and I are proud to call him our fellow member and have our full and undivided support.
