

# 2015-16 PRESIDENTIAL CITATION FOR ROTARACT CLUBS

How does your Rotaract club make a difference in the world? To qualify for the 2015-16 Presidential Citation, Rotaract clubs must complete two mandatory activities and at least three additional activities between 1 July 2015 and 1 April 2016 (unless otherwise specified).

The clubs' accomplishments will be verified by Rotary data after the deadline. No exceptions to the deadline will be granted, and no forms or reports should be submitted to Rotary International.

Rotaract club presidents will be able to track their clubs' progress toward each of the citation's goals by signing in to Rotary.org after 1 July 2015. They are responsible for regularly checking that progress and verifying the accuracy of RI's data. Any discrepancies should be brought to RI's attention immediately.

Sponsor Rotary club presidents and district governors also will be able to track the progress of their Rotaract clubs on Rotary.org starting on 1 July 2015.
